

Veterans Day

LETTERS OF GRATITUDE CAMPAIGN

While we have had to postpone our 2020 "Mission to Honor Veterans" event, we won't let Covid-19 keep us from honoring our Veterans. This Veterans Day we plan to still honor the men and women who have sacrificially served our country, in particular our local WWII, Korean, and Vietnam Veterans.

We need your help!

We need individuals, schools, and groups to create **Thank You cards & letters** for the amazing Veterans who served our country. The letters will be hand delivered to a Veteran during "Mail Call" as part of our **Drive-by Caravan this Veterans Day, November 11th.**

We hope you will join us in honoring our Veterans! Here are a few guidelines:

- Start with Salutation- "Dear Veteran,"
- Avoid politics and religion (saying "I am praying for you" is okay)
- Do not include your contact information; first names only
- Drawings or pictures are welcome (add a note with child's age)
- Do not seal card envelopes, they will be sealed later

Please drop off letters by **October 31st**, to:
Visiting Angels:

**3350 Country Club Drive #101
Cameron Park, CA 95682**

*after hours use mail slot in door
